HOW TO USE HASHTAGS

- [] Use 5-15 hashtags per Instagram post (not more)
- [] Always include 2-3 location hashtags: #Chennai #Coimbatore #Tamil etc.
- [] Mix large (1 or 2), medium (4-5), and small (4-6) hashtags
- [] Avoid banned hashtags â search a hashtag and check if content is visible
- [] Change your hashtag set regularly â do not use the exact same set every post
- [] Create one branded hashtag specific to your business and use it on every post
